

NATIONAL INSTITUTE OF TECHNOLOGY, JAMSHEDPUR

Independence Day Message

Date: 14/08/2012

My dear Colleagues and Students,

I heartily greet all on the 65th anniversary of our Independence Day. On this Independence Day, we will start our new Journey of Excellence, The NIT Jamshedpur Way, which will bring a new sunrise to our institute. NIT, Jamshedpur takes pride from its strong sense of mission and commitment to its students, employees and society. We have to work hard to achieve academic excellence through the principles of good governance, involvement of the people, continuous improvement and mutual respect. Let us remember that true academic excellence cannot be achieved without hard work and commitment of the people (students, faculty and staff). The road ahead is long and difficult. On this Independence Day, we have to reaffirm our commitment to achieve academic excellence of NIT, Jamshedpur.

Jai Hind

(Rambabu Kodali)
Director
NIT, Jamshedpur
